NumberSense
Mathematics
Programme
User Group
Conference
2019

CONFERENCE

The NumberSense Mathematics Programme provides an innovative approach to teaching mathematics in the early years. The programme provides comprehensive curriculum coverage. Popular in classrooms, the programme has been adopted by a wide-range of teachers and schools across the country, as well as a variety of organisations that incorporate the programme materials into their social responsibility outreach activities. The 2019 NumberSense Mathematics Programme User Group Conference will be a gathering of NumberSense Programme users (teachers, parents and others) sharing experiences, networking and learning about product developments. The conference, hosted in an inspiring setting, will support users to maximise the potential of the NumberSense Mathematics Programme in their work.

DATE & VENUE

10 and 11 May 2019
The Avenue, V&A Waterfront, Cape Town

EARLY REGISTRATION

R2 000 from 21 January 2019 until 15 March 2019.

NORMAL REGISTRATION

R2 500 until 30 April 2019

LATE REGISTRATION

R2 750 until 6 May 2019

Note: To unlock the full potential of the User Group Conference, only a limited number of participants will be accepted. Please take advantage of the early registration rate to secure your place (see registration details on the next page, download from www.NumberSense.co.za/workshops or register online at www.NumberSense.co.za/shop/conferences-1011-may-2019-cpt).

REGISTRATION FEE INCLUDES

- Full conference package.
- Meals and beverages at the venue.
- Pre-conference workshops in the form of visits to, and class observations in schools implementing the NumberSense Mathematics Programme, the morning of Friday 10 May, before the official conference opening.
- Entertainment and networking evening on Friday, 10 May. The evening includes participation by delegates in using the GeoGenius Construction Kit to set a World Record in geometry! Dinner and cocktails will be served.
- Portsworld garage parking.

REGISTRATION FEE EXCLUDES

- Travel to and from the conference (see shuttle details below).
- Accommodation: Special rates have been negotiated with The Cape Town Lodge www.capetownlodge.co.za (details below). Alternatively, Cape Town is not short on accommodation options and you are free to make your own arrangements or book into alternative establishments.
- Local transport and parking.

CAPE TOWN LODGE HOTEL

Where: 101 Buitengracht St, Cape Town City Centre, Cape Town, 8001

Contact: Warren Gnesin
warren@capetownlodge.co.za

Superior Room (Single Occupancy) R1 070 per room per night. Superior Room (Double/Twin Occupancy) R1 220 per room per night. Rates include buffet breakfast & ALL taxes.

Booking:

Bookings must be made via email only please - warren@capetownlodge.co.za. Delegates need to state that they are attending the NumberSense conference. Please make your booking before 9 April 2019 to benefit from these rates.

AIRPORT SHUTTLE

R325 for 1 – 4 people (Each additional person is charged R40 and the max amount of people is 7).

AQUARIUM SHUTTLE

R80 for 1 – 4 people (Each additional person is charged R10 and the max amount of people is 7).

PROGRAMME

FRIDAY

- 09:00** Pre-conference session – visits to Shikaya NumberSense schools – limited to 80 participants
- 12:30** Registration and lunch on arrival at the Avenue
- 14:00** Opening of conference
- 14:30** Plenary presentation:
The NumberSense Mathematics Programme – what it is and what it is not! Highlighting achievements and addressing misconceptions.
- 15:30** Parallel workshop sessions*
- 17:00** Networking session – Using the GeoGenius Construction Kit to set a world record in geometry!
- 18:00** Evening entertainment

SATURDAY

- 08:30** Tea and coffee
- 09:00** Plenary presentation:
How the NumberSense Mathematics Programme begins preparing students for high school mathematics, from Grade R.
- 10:00** Parallel workshop sessions*
- 11:30** Tea break
- 12:00** Parallel workshop sessions*
- 13:30** Plenary presentation:
Developing mathematical reasoning, understanding and application.
- 14:30** Closing session, lunch and departure

*TOPICS TO INCLUDE

- Supporting parents to support their children. **
 - Developing age, grade and number range appropriate calculation strategies for the students that I teach. **
 - What do we learn from all the assessments we conduct? A look at what we learn from the Mathematics Diagnostic Assessment (Grade 1 to 7), the EGMA and various other assessments that we conduct. **
 - Problem solving – using problems to develop mathematical concepts. **
 - NumberSense Data Handling **
 - NumberSense Space and Shape (Geometry) **
 - NumberSense Measurement **
 - Introducing the MathsSense Mathematics Programme – an early look at the Grade 8 to 12 digital learning materials. ***
 - And more...
- ** *Separate Foundation and Intermediate Phase sessions*
*** *Senior Phase focus*
