INSTRUCTIONS:

- Photocopy/print the Flard Cards onto sheets of firm board (240 to 300 gsm)
- Laminate the board
- Cut out the Flard Cards by very accurately cutting along the grey lines.
- Place one set of cards into a ziplock packet (e.g. a bank bag)

NOTES:

- You will not need the thousands cards until late in Grade 3 or early in Grade 4.
- To make the sorting of the cards easier you may want to number the sets by writing a number on the back of each of the cards in a set – best done before laminating.
