<b>Numbers, Operations and Relationships</b>																					
Count: whole numbers																					
1.1	Objects																				
1.2	Forwards & back																				
1.3	Symbols & names																				
1.4	Describe, compare & order																				
1.5	Place value																				
Problems in context																					
1.6	Problem solving																				
1.7	Addition & subtraction																				
1.8	Repeated addition																				
1.9	Grouping & sharing																				
1.10	Sharing for fractions (Not for Gr. 1)																				
1.11	Money																				
Calculations (context-free)																					
1.12	Techniques																				
1.13	Addition & subtraction																				
1.14	Repeated addition																				
1.15	Division (Not for Gr. 1)																				
1.16	Mental maths																				
1.17	Fractions (Not for Gr.1)																				
<b>Patterns, Functions and Algebra</b>																					
2.1	Geometric patterns				✓				✓	✓											
2.2	Number patterns																				
<b>Space and Shape (Geometry)</b>																					
3.1	Position, orientation, views					✓		✓													
3.2	3-D objects				✓		✓	✓		✓											
3.3	2-D shapes	✓	✓	✓	✓				✓												
3.4	Symmetry			✓	✓				✓	✓											
<b>Measurement</b>																					
4.1	Time										✓	✓	✓	✓	✓						
4.2	Length															✓					
4.3	Mass																✓				
4.4	Capacity/Volume																	✓			
4.5	Perimeter & Area (Not for Gr. 1)																				
<b>Data Handling (Statistics)</b>																					
Objects																					
5.1	Collect & sort																			✓	
5.2	Represent																			✓	
5.3	Discuss & report																			✓	

Data																						
5.4	Collect & organise																				✓	✓
5.5	Represent																				✓	✓
5.6	Analyse & interpret																				✓	✓
