The NumberSense Mathematics Programme: A comprehensive mathematics solution for schools

Cape Town: 24 & 25 May 2024

UCT GSB Academic Conference Centre (Protea Hotel by Marriott® Breakwater Lodge,
V&A Waterfront, Cape Town)

Johannesburg: 31 May & 1 June 2024

The Indaba (cnr. William Nicol Drive and Pieter Wenning Road, Fourways)

The NumberSense Mathematics Programme provides an innovative approach to teaching mathematics in the early years. The programme provides comprehensive curriculum coverage. Popular in classrooms, the programme has been adopted by a wide-range of teachers and schools across the country, as well as a variety of organisations that incorporate the programme materials into their social responsibility outreach activities. The 2024 NumberSense Mathematics Programme User Group Conference will be a gathering of NumberSense Programme users (teachers, parents and others) sharing experiences, networking and learning about product developments. The conference, hosted in an inspiring setting, will support users to maximise the potential of the NumberSense Mathematics Programme in their work.
